Your ticket their future

Your ticket helps ZSL secure a future for endangered animals

Gorillas are threatened by hunting, destruction of forests, disease and civil war. ZSL works in the wild to protect them and their homes.

And through our new gorilla exhibit opening in 2007 we will create awareness and ongoing support for their plight.

This year our Gorilla Action programme is raising money to save gorillas. Included in your ticket is a voluntary £1.50 donation towards this vital work.

Thank you for your support and have a great day.
