- Trends in Ecology & Evolution, Vol. 26 No. 10 2011

Zoological Record (<http://apps.isiknowledge.com> – onsite access only)

The Library provides access to the database Zoological Record (ZR), a very useful resource for identifying journal articles and book chapters on your subject of interest. It covers the zoological literature from 1864 to the present.

Library visitors can access ZR in the Library reading room. ZSL staff can access ZR from any computer on the ZSL network that has internet access. Please contact Library staff if you would like any assistance with ZR
